Refund policy

3) Escrow will auto-finalize **48 hours** after shipping date for digital goods, and **14 days** for physical goods. Once the funds are released, the sale is considered final and the seller can access those funds. If you have not received your goods before that time, please dispute the order, as finalized orders are considered final.

4) Please report the seller if he/she asks for money outside of Escrow, and do not send coins. If you send coins outside our Escrow system, it is entirely at your own risk.

5) It is **highly recommended** that you PGP encrypt your shipping address yourself. This offers an additional layer of protection for both the buyer and the seller.
